“ I took care of Mary Pat the past 2 years and she was always a delight to see. I have nothing but good memories from her and she is truly a resident I will always hold in my heart. I could tell from the photos she had that she was a unique human who I wish I could've known earlier in her life ❤️

A good memory I have of her is she would always hum along with me if she heard me singing a song she knew. Especially christmas songs. I got her humming along to "Baby its cold outside" quite a few times
