“*Lucile worked for me at Auvil Fruit for 7 years... I loved having her on my crew and loved getting all the great towels and crocheted items through out the years. I will miss the wonderful Christmas cards she always sent to me. I left about 13 years ago and she has send me a card every year since I left. It was a great way to keep track her after all these years. I used to call her "Lucy" and I don't think many people got away with that... I loved her laugh when she got tickled about something. I will miss her and never forget the friendship. She always told me stories about Sharon or Rodger and I felt as if I knew them.. Bless her into heaven and best her family left behind.*
