“ *My dearest Janice and Family ~ A Message to your sweet mom from my Heart <3 Mrs White (May) you and your Late husband, Lee shared so much love with our family for so many years along with your loving children; Barb. Allyn, Ray & Janice! So many wonderful memories we shared when my father, Floyd worked with Lee at L&I and we all spent many years of wonderful friendship together! You opened your Beautiful Lake Chelan Water Front Property for our Family to enjoy each year for our family vacation and then to Brad and I, the next generation to celebrate Brad's 21st Birthday and Ray took him to down town Chelan to introduce him to the Big Party Life Of Lake Chelan...hahaha. Your Family cut wood on your property each year and delivered to my parents for my father was handi-capped and You will never know what that meant to our family. We called it the White Warm Love delivery! When we owned Neal Distributing in the 1980-90's we called Ray and offered to make all his family Christmas Basket presents in exchange for for wood for mom & dad and this was the funnest Christmas I can remember. Ray, Brad & I could not wait for you all to get your gifts! (Sure Pray he gave them to you and did not save for himself) lol. Rest Now Dear May and Please give Mr. White a huge hug from Heidi! Love you all Dear White Family!*
