“ *Watching this video and hearing your voice is just as heartwarming as it is heartbreaking.... I can't believe and sometimes I refuse to accept that I won't get the chance to hug you again, to have a talk with you, to eat your delicious enchiladas, or just as simple as to watch a movie and then say goodbye to you.... God knows he's got a WARRIOR and an ANGEL called Melissa in heaven, because those are the best words that describe you!*  
*Thank you Melissa for being in my life and for making it better, you will be deeply missed....*

*Love you to the moon and back Mom#1*

“ Melissa! What a wonderful human being. So generous, so caring, so full of energy, and so dedicated to uplifting other people. And such a great wife and mother. And an inspiring teacher. A model for people of any culture to emulate. Yuna and I will miss her dearly and extend our sincerest condolences to Jesús and the boys. We're so very sorry.
