“ *My husband and I got to meet Melvin when he fell running to try and catch the link bus. We got him in our truck to take him to do a few errands. That day we made a great friend. Melvin would text us and vis versa! He had wonderful stories to tell us. We are so blessed to have been able to meet Melvin.*

RIP.

With love and friendship,

“ *I had the pleasure of working at a doctor's office that Melvyn visited from time to time. I looked forward to his big smile and fantastic hug every time he had an appointment. What a dear man he was.*
