“ Frank, I spent five summers working for the Forest cruising timber and surveying timber sales to prepare for the loggers to go to work. One summer we prepared twenty million board feet of sales. I was always in front of Franks dad, providing him with work.

“ Frank, I didn't know your father so the only vision I have of him is yours through what you have shared on Facebook. Clearly, you love your Dad and will miss him. May you receive peace in the memories you cherish. May the Lord comfort you.

“ Hello to all the Johnsons "kids" and friends of the family. Here in Ellensburg, we have a lot of good memories of the house on Linda Lane throughout the 1960s. Lots happening there with Teen trying to keep order! He was a real logger, a hard worker, and (as I remember) sang up a storm in Barbershop Quartet. It is a blessing Teen and Shirley were able to retire to Leavenworth and enjoy time (and Golf) after their work lives. Rest in Peace Teen.
