“ I met Mike in 1969. For the next several years we spent quite a bit of time together. I found him to be a loyal friend, witty and a very good dad. I especially remember his call to announce the birth of his oldest son, Sean. His voice was shaking with emotion he was so excited. He stepped up to the plate after the death of Sean's mom, always trying his best to do what's right. None of us can do more than that. My thoughts & prayers go out to all of his love ones, but especially Sean. Sorry that you will have spend this birthday so solemnly. My thoughts are with you. Love, Cheri (cj\_hogan51@yahoo.com)

“ Mike's sister, Kay, and I were good friends in our "younger" days. He was her big brother, just like my brother is to me. I'm sorry to hear of Kay losing her big brother. Take care. Bev Burns, Woodinville, Washington.

“ I was saddened to read of Mike's passing & send condolences to all members of his family. I met Mike many years ago (during the Midas Muffler days) in Wichita and lost touch when he left for Boeing in Washington. A kind soul..... Rest in peace old friend!

“ I worked with Mike in Auburn WA when he was working at Boeing, supporting the Tooling Skill Team back in the 90's and I was in Human Resources. What I remember most about Mike was how much he cared for those that worked for him and those that worked in Auburn Tooling. He stood up for people, even those he didn't know personally, fighting for them to keep their jobs during down times at Boeing. He was a gentle man and I was saddened to see of his passing. May his family find peace and know that Mike will be missed by others from his past. My condolences to his family. Lisa Lamb-Hanson
