“ Sweet Debra and family, I am thinking of you frequently during this difficult time of loss and sadness. I remember Mitch and his harmonica, although it has been many years and grown children in between. I know your strength, family and faith will will Light the way for you. Wish I were there to give you a hug, just know I am there in heart. All my love.

“ I will truly miss my good friend. He made a point of wishing me a good week on Monday mornings. He encouraged my harmonica playing, often teasing me about volunteering me for worship service.

“ I looked forward to each of my harmonica classes with Mitch. He was a joy to be with. He was an excellent teacher and mentor.

“ Even in our sadness at his loss, we cannot help but smile when we think of Mitch. Was anyone else so talented, funny, humble and caring, all at the same time? His life truly reflected his love of the Lord and we'll be forever grateful to have known him. We love your family; each one is special and we cherish the memories we have of you. May God give you peace that passes understanding at this difficult time. Joy comes in the morning, and we look forward to that glorious "morning" in heaven when we're all together again.

With love,
Cathy and Randy Davis
