“ *I was a neighbor for many years, my kids growing up along with Mike and family. My oldest is the same age as Mike. If I remember right, they got off to a rocky start with one another when quite young, then became friends. I always bought gas and had my car repaired at the Texaco. It was satisfying to see Mike grow up to become a partner with his dad. My heartfelt condolences go out to all of you. May the Lord bring you comfort and peace.*

Most sincerely, Pat Sherwood

“ Dear Charlene and Ronny,
I am so sorry to hear the sad news of Mike's passing. He went too soon. I have so many fond memories of Mike..(after all he was my first love). Also have so many stories to share. Please let me know about memorial services if any, so that I can let the Kirkland gang know. I have had many private messages, phone calls and emails from our mutual friends who are also expressing their condolences and sharing funny and memorable stories of Mike. He was loved and will be missed by many.
Please accept my deepest sympathies and love.

Many, Many memories of Mike, and had last seen him while fishing with him on columbian river a year and half ago and was surprised in his passing as I thought he looked better than he had in years. Condolences to his mother and brother and all of the friends and families who knew him. But in the long run,,, I'm sure Walt has been waiting for his antagonist to join him for a while,...RIP Mr Schneider
