“*Michael was an incredible woman, mother, and dear friend! I have missed her very much! I loved her so much and I miss her voice and laugh. And the stories she would tell of her younger years. She had a way of making me laugh so hard! Her funny voices for the dogs, and her hilarious sayings!! She is gone way too soon. Love to her kids and those grieving her loss! I am convinced she is in heaven next to her grandmas, friends, and all of our pets we have lost. She is laughing and watching over all of us. Forever in my heart and on my mind.*
