“ My heart goes out to Cy, and all of Michele's family and friends. As a friend and co-worker of Michele's, I always appreciated her honesty, integrity, and sense of humor. She was loved, and will be missed by all of us.

“ I don't have enough words to describe or put together coherently all the good qualities and the enormous impact Michele had on my life. I miss her dearly and a little lost presently. She was without a doubt the most honest, kind and loving partner anyone could wish for.

“ I’m still in shock. Never again will I hear her voice reminding me to calm down and everything will work out. Don’t worry so much was a frequent phrase I heard. Mom I will forever be grateful for the love you gave and the lessons you taught. My kids are the loving caring souls they are because you first loved me and taught me. I miss you so very much.
