“ Michele was a dear person and I am so sad to read of her passing. She, Ruth Beatty, and I were chums. We didn't do a lot together, but we were all committed to helping out Entiat. She and Ruth worked in the schools together and we all attended The Entiat Women's Club (EWC) meetings. They worked in the annual sale at the Grange to raise money for EWC which in turn donate to Entiat's Firefighter Fund. Michele always thought of others and she was always cheerful even though she's had serious health problems for the last few years. As I recall, she offered me treats when I visited her because she wanted to make sure I had enough "nutrition." I found this endearing. I will miss her presence and my heart goes out to Keith for her loss. Gaylen Willett - Chelan/Entiat
