

Micky Durham

July 13, 1941 - June 18, 2023

Mary ("Micky") Durham passed away peacefully on June 18th, surrounded by family.

She was born in Fruita, Colorado in 1941 to Mary and Elmer Roehm. Elmer was a coal miner in the mines of Colorado and Mary and Elmer owned a landscaping business. Micky was very close to her mother, who the family fondly remembers as Granny.

Micky met James Durham while working in local orchards. They married and raised 5 children (4 sons and one daughter). Jim (James) was a marine, serving in the Korean War, and passed in an accident in 1992. Micky loved working outside and with animals. You would often find her gardening or watering her various plants around the house. She loved seeing the thriving plants that were a product of all her hard work. They owned Cherry Hill Stables where they boarded and bred horses and had a growing orchard business with cherries and apples. She loved her pets and her independence. Perhaps one of the most inquisitive people you have ever encountered, she asked questions out of a desire to understand and learn. Her memory of events and people was second to none.

Over the past year, she had some health issues and lived with her daughter and her husband, Cindy and Pete Fraley. The past year with Micky has been a

wonderful time. Micky is survived by her sons Ryan Durham, Sam Durham (married to April; grandchildren Tanner, Cole and Langley), Jay Durham (granddaughter Courtney), Clay Durham and his family, and her daughter Cindy Fraley (married to Pete; grandchildren Samantha and Wyatt).

The family will hold a private ceremony and requests that gifts be made to the Wenatchee Valley Humane Society in honor of Mary "Micky" Durham.
