“ *Dad, I was thinking about you and wanting to hear your voice again. Thank you for everything you have taught me over years. I wouldn't like the lady I am today without the values you instill in me. You are missed and I know you are my angel. I love you, Dad.*

“ *Mike and (Brandi), precious was the time I spent with your dad in the late 1970's and early 1980's. He was so kind and straight forward. My daughters Raelynn and Christina played with you Brandi. I don't know if you remember them. Your dad loved the Lord and always wanted the best for everyone. I hope you find comfort in his love for you and others. God Bless you.*
