“ *Grandma Midge was truley the kindest. most positive person I have ever known. I am forever grateful for all that she taught me - cooking (for which she was famous!), watching the stock market, loving my job, whatever it was, but most importantly to find the good in everyone. Grandma could not only find the good in absolutely anyone - but teach them to see it and live up to it themselves. I will miss the way her eyes lit up when I popped in for a visit and they way she made me feel just to be near her. Those summers in Leavenworth were some of the best times of my life. Grandma - I know that you're up there fixing dinner with Grandma Mardie for Carrie and all the boys. I love you and miss you. Until we meet again Grandma - much love,
Kim*

“ *Aunt Midge was a true blessing to our family! She "always" had a positive attitude and true grace. She was always so excited to see us and always welcomed us with loving arms. I don't think I have ever met anyone as sweet and loving as her. She was a very big part of our family. We loved her very much!! She is with all of her loved ones in heaven now, with that beautiful smile and enjoying true peace.... We will celebrate your 90 years of life down here on earth tommorrow...and we will be together again one day...You were truly loved...
God Bless ...Jody, Jeff & Krisi*

“ *Midge...what a truly Special Lady you were. When Kim and I would visit you there was always a huge smile on your face and a positive attitude. You gave us girls advice when we were growing up. I always wanted to know Midge' secret to her peaches and cream skin. Now she is with Wings in Heaven and Jesus our Lord. You touched my Life.
You will be Missed.

“ *Midge and Harry were our neighbors across the alley in Leavenworth. They were truly wonderful people and were greatly missed when they left. We always enjoyed catching up with Midge when she was out and about or at the Bingo hall in Cashmere. She was truly a wonderful person and special "lady".
With fond memories,

“ Midge and Harry were my neighbors when I was growing up in Leavenworth on Whitman Street. They had two dogs named Toby and Gerty. Midge has been part of my life since I was 3 years old and the memories are absolutely wonderful...Kim, remember dressing up in her dress up clothes? Harry had bird feeders in every tree in the back yard and also fed the birds on the deck railing. When I got married and struggled with making pie crust-I would call her and ask where I went wrong. She would always help me and now every time I make a pie I think of Midge. I would take my kids for hair cuts in Cashmere and the treat was going to Midge's afterwards. She always had little ice cream treats. The memories just go on and on as they do for anyone who had the honor of knowing Midge.
Midge, I love you. I will be blowing kisses to heaven.....
Forever in my heart.
