“ I shared an office with Mirrell when I first started to work for City Hall in Hoquiam in 1978. We had a blast working together. Mirrell was fun loving and charming and respectful and a dedicated, hard working City employee. We met up a few times over the years after he left for Leavenworth and his smile and charm remained the very same as when I worked with him. I'll miss that smile and charm!

“ Great memories of spending part of my honeymoon and Thanksgiving with Mirrell and Florence and their kids in Leavenworth. Mirrell beat me in racquetball during that trip and never let me forget it....especially since he was pushing 60 at the time! Mirrell was a very kind and sincere man! He will be greatly missed!

“ I long ago forgave Mirrell for making Doug and I clean up the alley when he came to Seymour. I will always remember mirrell as being a person who was always interested in how others and their family was doing. He was devoted to Florence and the dogs. RIP Uncle Mirrell.
