

Musie I. Stanaway

March 30, 1920 - September 18, 2016

Musie I. Stanaway, 96, of Ardenvoir, passed away Sept. 18, 2016. She was born March 30, 1920 in Hillsdale, WI to Floyd & Nina Smart. She moved to the Entiat Valley with her parents at the age of three. She attended and graduated from Entiat Schools. She married Haven Stanaway in 1939 and they made their home in the Entiat Valley where she began her long career as wonderful Mother to Scott, Kay and Patty. She was an accomplished seamstress and spent many days constructing clothing for her children and grandchildren. She enjoyed growing vegetable gardens and raising flowers to share with family, friends and neighbors. She and Haven made many camping (horseback) trips into the upper Entiat Valley with family and friends through the years. They were longtime members of the Entiat Trail and Saddle Club. After several years working in Ore. with the Forest Service, they returned to their ranch in the valley and immediately purchased more horses and snowmobiles and had many fun days riding the backroads. Musie delighted in a tour around her beloved property in an ATV on her 94th birthday. She attributed her longevity to healthy food and lots of exercise. She is survived by her daughter Kay Bowie(Doug) of E. Wenatchee, her grandchildren, Jill Compton (Jim), Jade Jaspers(Joe), Curt Stanaway(Heidi), Eric Stanaway, (Sandy), Aaron Fischer, (Chanin), Kara Fischer and 12 great grandchildren, and 2 great-great grandchildren. She was preceded in death by her husband Haven, her son, Scott, her daughter Patty and an infant son and grandson, Craig. Also, her four very special brothers; Kenneth, Jack, Jim and Tom Smart. Graveside
