“ *I have the fondest memories of traveling with the Bumgarner's to Wenatchee for summer visits with the Cheeks. Grandma Cheek was always so warming and welcoming. We had such beautiful, honest conversations. I was just a teenager, yet she made me feel so valued and important. She will be forever in my heart!*

“ Aunt Naomi was always so special. She made us the neatest gifts when we were young. I remember 2 dolls she made me, one was from milk strainer filters and one was a 3 foot tall stuffed girl with yarn pig tails. She always had a beautiful smile when she saw me. I will love her forever. She came to my nursing graduation along with aunt Shirley and my mama. God Bless her, love Judy
