One of our favorite pictures of you! Still miss you more than words can express...

“ *There are no words to express how fortunate I am to have you as my father. As your daughter, I always knew your girls were your number one priority! Not every child is fortunate enough to have a dad like you, but me and my sisters were. Thank-you alone would never be enough. I will always be your first little redheaded girl... I love you Daddy forever and always!!!*
