“ *My dear cousin, I still think of you everyday and wonder what it would be like if you were still here. I will never forget you. I love you*

“ *Sorry, "KIKE" I couldn't make it to your funeral, trust me I was sadden by the news, it hurt me all day, and I share great moments with you buddy. I will always remember you as a true fiend, I remember when you and I roll my jeep over on satus pass hwy 97, you helped me get out of the jeep, at the end we laugh about it. We grew up and you went your way and I went my way, but I will always remember you.....*
