“ Ozzie was one great guy! He was my boss at Snowkist in Wapato, WA back in the late 50's and 60's. When Ozzie took the job in Wenatchee, WA, if he would have offered my a job there, I probably would have taken it, because Ozzie was the "best" boss ever! My thoughts and prayer's are with the family. John Burns, Yakima, WA. 509-832-1655

“ Ozzie and Willie were the first to walk down and introduce themselves and welcome me and my two children to the neighborhood in 1992. After that we spent many evenings visiting with them as they sat outside each evening when the weather was nice. If I was out working in my yard Ozzie always walked down to see if he could help fix whatever I was working on. He was never too busy to lend a hand and loved to share about his family and Willie always had a treat for my kids. My son would come home after talking with Ozzie and tell me all the stories Oz would share and that meant a lot to have him take the time to spend with my son and answer all the questions kids ask. I feel blessed to have known both of them and to have the many special memories they gave my family.. Kim Johnston

“ *Ozzie, Willie, Ron and Greg lived just across the irrigation "canal" from us in North Wapato. We were the family with two girls and you were the family with two boys. Grampa King lived just behind them. What a treasure trove of wonderful memories of holidays and every day neighborly goodness! Such warm and wonderful neighbors. Always kind, helpful, and full of fun. Sadness welled up in me mixed with good feelings when I read of Ozzie's passing. A wonderful part of my own memory bank. My condolences to all of Ozzie's family. Such a good man!*

“ *At the news of Grandpa's passing, I found myself flooded with wonderful memories of times now long past. Especially prominent are those of camping at the King Family Picnic, and softball games at Steamboat Rock. Visits to Grandma & Grandpa's house in East Wenatchee were frequent, and filled with joy.*

*One particularly fond memory I have from childhood was soon after Dairy Queen came out with the Blizzard. All of us grandkids begged to try our first Blizzard, so Grandpa drove us all down Grant Road to the Dairy Queen. However, when he went to place his order, he couldn't remember the name! So, he ordered "5 of those winter storms". Talk about thinking on your feet! To this day, I prefer to call them Winter Storms instead of Blizzards.*

*Rest in peace, Grandpa.
