“ I met Pat during my college years when Tonia, her daughter, and I attended Whitworth College together in 1991. Being from Leavenworth, we shared rides home on our breaks. I came to know her well, however, when we served together on the Synod of Alaska Northwest Board in the early 2000's for the Presbyterian Church USA. Pat had incredible stories and always made us all laugh. At any given moment, Pat had a story that would knock your socks off and she always made me giggle! She had a nurturing soul that I know lives on today in Heaven with her Heavenly Father. She always listened when I needed it, hugged me often, and even referred to me as a bonus daughter on more than one occasion. I have a feeling that Pat had many "bonus" kids out there! That's just the way she was. She loved everybody and we were all the better for it. She pointed to God in all things and her life was a beautiful witness to her faith. I will miss her a great deal and I am keeping her family and friends in my prayers. I wish I could be there in person to honor her memory and say goodbye. I love you Pat and can't wait to hug you again in Heaven!

“ Pat was a lot of fun to be around (Amway events). Our children were all about the same ages so we had much in common. I love the picture you chose, to show her happy, jolly spirit! I know she was a great mom, and a loving wife to Dick. She will be missed by all. There is rejoicing in heaven. Rest in peace.
