“ *My thoughts and prayers are with Pat's family during this difficult time. I met Pat just last year. I was adopted and only recently had found my family of origin. I reached out to Pat and her sister JoAnn for information and both were very gracious in not only conversing with me by e-mail, but also sending pictures of family I've never seen until then. I deeply regret that I was unable to meet Pat in person before she passed. Love and prayers for her family.*
