“ I have fond memories of Pat. I worked with her at the Cashmere Valley Record & got to be her friend. We shared lots of good times. I loved going up to her home up Blewett Pass. When she moved to Wenatchee I didn't see her very often, but I still read her articles when they were in the paper. I haven't talked with her or seen her for awhile but thought about her often. Jeanne, please accept my condolences. You & your family are in my prayers. When you said she was a horse of a different color, you were so right but such a wonderful person & friend.
