“ *Pat and Mike,*

I want you to know how sorry I am about the loss of your wonderful mother Pat. She definitely was a lady who loved her family with all her heart and valued her friends and life. She was one of a kind from the older generation who knew about hard work and being true to herself. Your mother was a genuine soul and a beautiful lady inside and out. I hope you and all the Hilscher family will treasure what she taught you in life and always feel warm and happy in knowing how lucky you were to have had her for all the years you did. I will remember her wonderful voice and her directness in her opinions always sprinkled with warmth from her heart. I loved her!!

Please accept mine and my families deepest sympathy in this time of loss. Thinking of you with love.
