“ We are so deeply saddened and can only be in prayer with you all as you work through this grief and loss. What a lovely person Pat was and forever will be, as the memory of her smile and kindness lives in our minds and hearts. She seemed to have a light that shined from the inside out. How lucky we were to have known her! God's blessings to you all,

“ Dave and family...my thoughts and prayers are with you during what I know must be an emotional time. I have been blessed to not lose my parents yet, and am certainly not looking forward to it. But it sounds like your mom was wonderful and you must have many great memories to look back on. Please accept my condolences (and Michael's too).

“ Pats Smile and Sweet Caring Demeanor touched my Heart. How Proud she was of Her Son Gary. When I saw her she always wanted to know about "Me". With a Twinkle in her eye; she would kiss me on the cheek. Heaven has accepted another Angel. May your Rest In Peace. Pat. I am sending a kiss up to you.
