

## Patricia "Patsy" Michael

April 3, 1938 - February 20, 2017

Patricia M. "Patsy" Michael 78, Cashmere

On February 20, 2017 our beloved Mother, Grandmother, Sister, Aunt, Cousin, and friend to many, left us to walk with the Lord.

She was born April 3rd, 1938 in Roslyn Wa.

She was a beautiful, generous, vibrant, reliable, caring, loving, feisty little lady who loved to be on the go.

She would get up in the morning and open the blinds to let the light in and turn on the radio and play it loud whether at home or in the car. When we went shopping, that is how we could find her in the store. Just listen for the singing, whistling and laughing.

Some of her favorite things to do were going to the farmers market, shopping for flowers, school shopping with her grandsons, chinese and tai food, gardening, fishing, bird watching, sewing, cooking, canning, Cashmere football and basketball games and so much more.

She was a "real go getter" as she would say.

Her favorite holiday was Christmas and she loved watching it snow. She put up the most beautiful decorations in and outside her home. She also loved "her" town of Cashmere and was proud to live there.

She loved her family with every bit of her beautiful heart and was a huge part of her three Grandsons lives.

Mom you were such a big part of our lives, the void that is left is enormous. I hope and pray you departed here knowing how much you were loved as you

made sure we knew how much you loved all of us. Mike and I will always be your "Mr. Bug" and "Rita Stink".

She is survived by her Son Mike (Jo) Michael, a daughter Pamela (Darrin) Lyon, three Grandsons Richard, Brandon, and Justin. A sister, Karen Church (Bob). A neice, Roxann (Mark) Humphris. Two nephews, Dwayne (Vianey) King, and Darrin (Robbin) Sim.

She was preceded in death by her Mother and Father Edith and James Pearson and a neice TC.

We love you Momma a.k.a "Skinny" a.k.a "Little Tiny Granny" a.k.a "Shorty Britches"

“ Patsy was one of the most genuine, nice person that I have met. She was a person who'd speak to you and make you both thankful that she did, as she also gave you the feeling of being important in your own right. May she Rest In Peace, as I hope all of her family and friends will remember the good times shared with her.

“ *Having spent a lot of time with Pat (and Grandma Edith), when I was little, I have lots of fond memories of her and of days past with her family. I always felt like I was family and was treated as such. I knew I was more than just the little boy down the creek that she babysat. I remember so many Degree of Honor outings and adventures we went on and how much fun it was. She was always so nice, kind and loving to me. She will be missed!*

“ Pat was a wonderful friend to my mom, "Moggie" She came into our lives when I was about 5 or 6. She had long hair that I loved to comb. She was a burst of energy and also full of love. She will be missed more than she would have ever imagined. Blessings to Mike, Pam and Teresa....you may remember the "Repass" family and the adventures of our mothers!! --Louanne Repass Tosch.

“ Pat is one of the stand-out female role models in my adult life, I refer to her as my "second mother". Pat helped me plant my first garden and upon purchasing my home we spent hours shopping for landscape plants and designs. The crabapple tree she bought me blooms every year, this year the blooms will have an even deeper meaning. My heart goes out to Pat's family especially "my sister" Pam.
