“ *Pat would have approved of today's services where Faith, Hope and Love were shared with us. Pat shared Faith, Hope and Love with our family the many years we were privileged to be his neighbors. We were excited, but not surprised, that he sent help to Haiti and are making a gift to The CRUDEM FOUNDATION in his honor.*

*Thank you Don! We always relied on you and Wendy, Mom and Dad's trusted neighbors to take good care of them, and you never let us down. They sure loved your girls, too!*

“ *Pat was a delightful man! He will always be one of my treasured memories. He was so kind to my wife and daughters during my long hours at work. We have never had such amazing neighbors as Pat and Lois were. They brought the girls and me Thanksgiving dinner when Wendy was in Okla. during her brother's accident. Pat and Lois will always have a special place in our family's life.*
