“ *Phil and I had been friends for several years. I use to drop a pumpkin pie off every Thanksgiving. My family & I would go there to shoot pool, and socialize. He always gave me a hug when he saw me. He was there when I loss my spouse. Help a lot of people out up & down the Entiat Valley. May God Bless His family and friends. He will be missed by me and the rest of the community R.I.P. Phil.*

“ *Phil left a lasting imprint on our lives. He was the first friend of Ron's in Chelan and that was in 1978. We have many snowmobile memories, house building memories, camping memories and family memories. He was in fact larger than life. I personally will miss the big bear hugs he gave me every time he saw me. Rest in peace our friend. You will be missed. Love your always and our heart felt condolences to your family. “ We were at the Lake View a few years ago waiting for our food, you could hear Phil plain as day like he was standing there. We looked all around and he was no where to be found, then someone says they are doing a foundation over by Petersons and sure enough Phil was clear over at Petersons but that voice well it will remain with us all. RIP Phil never had a dull moment around you.
