

## Phyllis J. Sadler

May 11, 1936 - January 14, 2021

Loving wife, sister, mother, aunt, grandmother and great-grandmother. Phyllis met and married the love of her life Ken (Kenny) Sadler on August 1, 1951, after 2 weeks of dating in San Diego, CA. She was 15 and he was 20. They were looking forward to their 70th anniversary this summer. Kenny and her family were always her priority. Phyllis loved to feed people. No one left the Sadler home without a full belly. She even made sure the garbage man had his weekly cookies. Phyllis leaves behind her best friend and lover of 69 years, husband, Ken Sadler. Phyllis's legacy lives on thru her 4 children: Steve Sadler (Becky), Stan Sadler (Kathy), Stacey Snider (Doug) and Shellee Potocki (Jeff). She leaves 11 grandchildren (Jacob, Cody, Tara, Dustin, Beau, Ben, Bethany, Tonya, Emily, Jenny and Sarah), 17 great-grandchildren, her brother Ralph Bohannon (Chrissy) and nephews. Phyllis loved the Lord with all her heart. She was a speaker for the Women's Christian Club, traveling and sharing her testimony of God's love and faithfulness.

“ *Phyllis and Ken (to Phyllis it had to be 'Mom and 'Dad' and so it was!) have been an integral part of my life for 45 years, not as in-laws, but as family. And what a role model she was in teaching that family and the Lord come first before all else.*

*Not far behind in importance was cooking and baking, labors of love so dear to her. She could whip up a delicious meal in an instant as though she had spent hours in its planning and pull it off without the least bit of stress..or so it always seemed! If you went away hungry, it was most assuredly your own fault as she had this inner sense that directed her to cook for double the people coming for dinner. There were always left-overs which Mom made sure went home with everyone.*

*Mom and Dad passed along to their kids a work ethic born of their own upbringing which has been passed along to ensuing generations. To see their children, grandchildren and great-grandchildren grow and exhibit many of the traits so near and dear to Mom and Dad was and is a great sense of joy and accomplishment to them both.*

*As a team for nearly 70 years, the example they set in working, playing, praying and enjoying family together is a lesson for us all.*

*I am going to miss you Mom. Yes, you had some 'home remedies' that caused me to 'roll my eyes', a source of mutual laughter between us. But I will miss you most because you were always there to share your 'life lessons learned' insights into any problem or question taking place in my life. Your response always came from your heart. For your support and guidance I will always thank you and love you.*

“ *Phyllis and I met at a Christian Women’s Club meeting in Brewster years ago at which she was the very excellent speaker, witnessing about Christ in her life, and passionately inviting others to also commit their lives to Jesus. She and I became fast friends and prayed together for many years. She was/is a dear Christian sister to me and I will miss her tremendously! I am grateful I knew her and I look forward to seeing her again in heaven one day! She blessed so many.....*

“ I've known Phyllis and Ken since I was teenager. They treated me just like family always so loving and welcoming. She always welcomed us into her home filling our bellies with wonderful food and lots of it. You never walked away hungry from her house. She loved her family and the Lord dearly. I will always carry great memories of her in my heart. Prayers go out to Ken and all of the family. She will be dearly missed.

“ what a blessing Phyllis was to our church- her faithfulness, her smile and listening ear and her example she lived. Looking forward to that reunion day to see her smiling face again and hear her voice. Thank you for all you did for our community and church.
