“ I feel bad that I just found out about Rick's passing. We knew each other since we started school at St Marks in Shoreline. We spoke via email and Rick inspired me since I became disabled in a wheelchair.

To Rose and family my prayers go out to ALL of You

“ To the family of Rick Klinge, I am out of state and will not be able to attend the celebration of my dear friend and brother in Christ, Rick Klinge. I will remember him as family man, who cherished his sons, grandchildren, spouse, and blended family, He was also an outdoorsman, who loved to run and climb mountains and a person with a deep abiding faith in Christ. His tenacity for a healthy lifestyle and passion for life never abated. Rick was a wonderful brother in Christ and he will be missed.

“ *Rick was a colleague of mine for several years and I loved his spirit for running and outdoor adventure! I was so amazed at his transformation into an aspiring artist of outdoor and adventurous scenes and creatures when he was no longer able to do those things. I am so happy to say that I had seen the pictures on his blog of his watercolor paintings and a few months ago asked him to paint our dogs. In return for a jar of homemade pickles, he sent me a painting that now hangs in my living room. What an awesome reminder of one wonderfully productive and positive way he spent his time! Much love, - - - Ali Meeks*

“ *Rick was so very inspirational and one of a kind. His absence will be felt by so many; but in his absence, he left so many kind words, deeds and memories that will live on forever.*
