“ *The Fulbright family lived across from us on Highline Drive and were such a great family, very involved with each other's lives. Ricky was a year ahead of me in school and I remember him fondly. I am so sorry to hear of his passing and send prayers to the entire Fulbright family.*

“ *Rick and I were good friends and shared many of the same likes. During high school we both loved cars him in his 1969 Torino and me in my 1970 mustang. Lots of weekends cruising the Ave and a little racing which got us to the police station a few times. His love of baseball sent him to the doctor with broken bones but never enough to keep him from playing. Rick you were a good friend and you'll be missed. Bye for now Gary Langston*
