“ Dear Graham Family: My heart is broken to know that we lost your father. I have always felt like it was an honor to work for him for so many years but to call him my friend was truly my gift from him. I have cherished that friendship forever and will always remember his intelligence, his laughter, his gift of story telling, his love for his family, I know he will be in your hearts forever and I can tell you that he will certainly be in mine.
