“ To the family and loved ones of Bob Perez I send my deepest sympathies. Bob was a person of many strong traits. He was a dedicated, courageous, and loyal Police Officer who could be counted upon to cover an others back. Bob had a sense of humor that was enjoyed by many. He developed many friendships through his career and many of these friends spent time with him, visiting, during his last days. Bob made a place for himself in the memories of many of us. He will always be remembered with a smile and thoughts of gratitude for being there. See you at Roll Call Bob.

I never knew Bob personally, but wished I had. Bob was a great cop & fine man, an asset to our community. He worked hard for justice & cared very much for the children in our valley. You endured many injustices in life & bore it well.
