“ In 1984, I moved away from home and lived directly acrossed the street from Bob & Ruth:) Bob & Ruth made me feel loved and cared for, taking me to breakfast on my days off. I would walk over and visit often and loved hearing stories of their daughter Barb and the crazy things their dogs would do! I remember the yard & garden always being beautiful and big, colorful butterflies on the garage! In 1985, I married. Bob & Ruth sat in the front pews with my family:) I lost touch over the years but have wonderful memories and will never forget the kindness Bob & Ruth both showed me all those years ago:) Lifting Barb and her family up!!
