

Ron Roy

September 7, 1954 - July 31, 2023

Ron Roy, 68, a resident of East Wenatchee, passed away on Monday, July 31, 2023.

Division Chief Ron Roy, who served the fire agencies of Wenatchee and East Wenatchee for 50 years as a volunteer, died in August after a battle with cancer. Roy helped muster volunteer firefighters for Chelan County Fire District 1, Douglas County Fire District 2, and eventually for the Wenatchee Valley Fire Department, which consolidated both.

In his other professional life, Roy was a senior electrical system operator for the Chelan County Public Utility District until his retirement in 2019.

Friends and survivors plan a memorial at noon Oct. 14 at the Wenatchee Convention Center, with a vehicle procession prior to the service. That memorial will be open to the public.

“ I worked with Ron in the 1970's when he was a Volunteer FF for CCFD#1 at 5th & Western. He was one to always show up at the station whatever the time or weather was.
I hope the Fire District give Ron the farewell he deserves. One like they gave Boyd Hake when he passed would be suitable. KCR226 Ron.
