“ I am sorry for your loss - Joan and I worked at the Y together for a long time - Joan took me under her wing and I met Roy- he was always so nice to me- Would sometimes tease me.... but he always brought a smile to my face. He was so proud of his dogs and had great hunting and shooting stories. He also took me up to the gun club and worked with me a couple of times....

Joan always had a story about the adventures they had - once Roy said to me " Do something that you love - it creates memories that make you smile!"

“ Uncle Roy was the best uncle ever. He was like having a second dad. His bear hugs were rib crushing but you knew you were loved. I feel awful that I can't make it to the funeral but it is my granddaughters birthday. I know the way he loved his grandkids that he understands. I will always remember the visits that he and Auntie Joan made to see us in Montana. Hugs to my cousins and their families. Love ya all, Alana and Sam
