“ *'I love you forever
I like you always
As long as I'm living
My mother you'll be...'*

I love you Mommy, and I miss you more than ever. When you left this world, it became a little darker without your beautiful light in it. Your spirit lives on through me, my brother, sister and your three beloved grandchildren. You may be gone, but you'll never be forgotten. Until we meet again, I'm sure you'll watching over us. I love you Mom. Always.

*Love your daughter,
Nealy*
