

Scott Bradley Hutsell

September 5, 1957 - August 26, 2014

Scott Bradley Hutsell, born September 5, 1957, gifted finish carpenter and artist, died Tuesday August 26, 2014 at the young age of 56, at his home in Wenatchee after a long illness.

He is survived by: wife Felicity, Wenatchee, parents Holly and Leland Hutsell, Moses Lake, and siblings Wayne (Rebecca) Hutsell, Moses Lake and Lisa (Matt) Hutsell-Mattson, Ashburn, Virginia, and many nieces and nephews.

Scott graduated Moses Lake High School in 1975 and attended Big Bend's Community College Flight Program, receiving his pilot's license in 1977.

After experiencing a particularly hair raising, nail biting, body slamming flight within the eye of a nasty storm he wisely made the decision to pursue his second love, carpentry, at which he proved himself extraordinarily talented. He continued in this field for the whole of his working life, in great demand by builders of custom homes from Spokane through all of North Central Washington to Seattle. The most notable custom home he worked on was Nathan Myhrvold's T-Rex dinosaur home in the Seattle neighborhood of Medina, having been asked to construct a staircase railing out of dinosaur bones. A second notable carpentry job was his work at the "Sleeping Lady Resort" in Leavenworth. He was a true craftsman and did beautiful work.

When not exercising his creative imagination in custom homes, he liked to cut and dry flowers and incorporate them into fanciful designs on tumbled stone topped gift boxes. These the Seattle Space Needle sold to people from all over the world. Many of his friends and family learned to keep a wary eye on him as he strolled through their flower gardens with a discerning eye and his ever handy flower clippers peeking out his back pocket!

Scott loved life and lived it fully enjoying many activities: camping, hiking, cooking, boating, barbequing, water and snow skiing, kite flying, and traveling. He had a unique bond with all animals, rescuing several and giving a home to many, including a pig, an inguana, wild birds fallen from nests, a goat, and numerous cats and dogs.

Scott had a gentle spirit and was profoundly kind and giving to all he knew. He easily forgave us our human foibles and religiously displayed an exemplary patience both within his relationships and his craft. People could not help but love him in return. And though we celebrate all he gave to others and the ending of his pain, those he left behind will sorely miss the light he lent to our lives.

His "Celebration of Life" will be held at the Moses Lake Presbyterian Church Saturday September 13th, 2014 at 11:00 AM, lunch included. In lieu of memorial donations please reach out to someone you know and show them a kindness in his honor, even if it's as simple as giving them a beautiful flower. Please express your thoughts and memories on the online guest book at jonesjonesbetts.com. Arrangements are by Jones & Jones-Betts Funeral Home.

“ My heart goes out to all of the Hutsell Family, especially Felicity. For the past 28 years you and Scott were truly soul mates and so blessed to have had the time together that you shared. So many memories of special times with a kind, gentle and caring spirit. He touched many people in many ways, some that we will never be aware of. His talents, integrity and joyful spirit will be missed by all who were blessed to know him. May you all find peace in your hearts in the memories that he has left us.

“ To my Hutsell family, The Dendy "kids" send their sincerest condolences. I love you all dearly and Scott the most, he is one of my oldest friends since kindergarten. Everyone loved Scott, and he made us feel the most important. When we were very little, still on Ironwood Dr, and I played army with Wayne and Scott, I had the wind knocked out of me, hard, and I went home crying. Scott walked right beside me. And that is how he was! Always there. I will remember your laugh and your joy. Becky Dendy

“ *My heart hurts with so much sadness, Scott was a very genuine & gifted man. He had an infectious laugh & beautiful smile always. Our years of growing up together will be forever cherished. U think I was at Holly & Lee's 50% of my child hood, therefore the Hutsell family is my 2nd family. Lisa my best friend for life, Scott & Wayne my brothers, as close as I could get to having brothers! My heart hurts for Holly, Lee, Wayne & Lisa. Scott I will forever miss you, I know you are free of pain, rest well brother, see you when it's my time. Talented golden hands at rest.*

“ *First of all. I would like to send my condolences to the Hutsell Family. Scott was such an important part of my life. Growing up in Lakeview Terrace was such a happy time. Playing in the fields together, riding bikes, baseball and football games. Walking to McCosh Park to swim. Scott always allowed me to be the "Tag along" friend. My brother, Steve and Scott built the infamous "VicHut Jalopy" using wood, wire and old lawn mower parts. Going down "Hospital Hill" and crashing over and over. Always getting back up and dusting themselves off..Scott continued this "never fail" attitude throughout his life.*

All these memories and many more bring a smile to my face and ache in my heart at the same time..You touched so many lives. Thank you for being a part of mine. Love and miss you, Buddy. <3

“ *Scott had a special ability for bringing out the very best in the people he knew. He had a deep & genuine interest in others, & his friends knew they could count on him. He made this world a brighter place with his authenticity, his laughter, and his kindness of heart. I was blessed to become friends with Scott the last week of our 6th grade year. I will forever cherish knowing such a wonderful person!*

“ *My first "Best Friend."*

So many wonderful memories of growing up with Scott, and the Hutsell Family.

I'm deeply saddened by his passing.

I'll never forget you Scott. Or the memories we shared together. So many "firsts" with you.
