“ My grandpa Searles was the best. He loved his family more than he could ever express, and would do anything to protect us and never wanted to burden us. He was so proud of us all, and we knew it because he told us often. He would always say "I'm so proud of you" with a huge smile on his face. Then he'd give me a big, tight hug and say, "I love you so good". He was such a kind, gentle, generous, and hard working man. I will cherish the memory of his loving hugs, constant presence in my life, and unwavering love.

“ Four years ago I began golfing at Three Lakes, with the Wednesday morning league. We were new in town, and to Three Lakes, and Searles befriended me and I enjoyed his company for a good number of rounds. I admired his determination as he played through some difficult physical challenges. And I really enjoyed his company. I know this loss will not be easy for you as he told me how close you were. I'm praying for God's comfort and peace to be with you at this difficult time.

“ Dear McCarver Family,

*I got to know Searles via of my role at Tilly Equipment and he worked next door at the Washington Department of Transportation. He was always pleasant to serve and this helped "make my day".*

*As a side note I knew his father, Ivan, even better when he managed several orchards in our community.*

*Sincerely,*

*Earl Tilly*
