“ You will forever be missed, your contagious sense of humor and the happiness you transmitted to everyone who knew you was a very unique part of being you. You were a good hearted individual and made friends with everyone you met. Such a humble and down to earth individual that's what made you the wonderful person we all knew. Espero que estes haciendo reir a san Pedro tanto como nos hacias reir a nosotros, y ahora a quien a quien nos dirigimos por una buena opinion? Descansa en Paz cuñado compadre y amigo de toda una vida.
