“ Mrs. Dunlap, who she always was to me, was just a wonderfully kind person. I was friends with her youngest daughter during my teenage years and spent a lot of time in their home. She was always so welcoming, and I remember fondly the many dinners I ate at her table. I felt a part of her family for many years. She was the first one to introduce me to fondue! I have seen her through the years, and she always remembered me and was quick for a hug. She will definitely be missed, and I pray for her sweet family, who loved her dearly. Go with grace.

“ Prayers for comfort in your grief but praise to our Lord that Shirley is now in the presence of our Lord, hearing, "Well done, my good & faithful servant" and assured we'll be w/her again. What a blessing to have known & studied the Word w/her for years at Free Methodist Church.
