“ Shirley was my mother's cousin (Mary Finnegan Bills) and I will always remember her beautiful smile especially when we would run into each other at Colonial Vista when I would be there visiting my dad (Jack Bills). She spent many hours sitting by the front door and when I would come in she would give me a big hug and tell everyone there that my mom was her cousin. She will be missed, she had a beautiful soul and a love of life.
Take care, love Nancy Salisbury (Bills)
