“ *Honts family - I was so saddened to hear of the passing of both your wonderful mom and dad, and at the same time! I loved going to your house after school, and Stan would greet me with a "hi, Mares"... it was very endearing to hear him call me by the same nickname as Mia (Honts!) did. Your home has great memories for me, your mom was a hard working lady who loved her job. I looked up to both of them and believe it or not, I always wanted to create a home atmosphere like they had. Having two daughters myself, your home was always in the back of my mind - seriously. I was even a little jealous at times, I am afraid to admit. If we have created the warm loving environment that your parents did for you, then I will be very happy. How blessed you all were to grow up with supportive, ambitious, loving parents. I hope one of these days we can connect again, I miss you all. you were a huge part of my high school life , and Mia - one of the best friends ever.*

Love and hugs,

Lisa Myers (MARES) :)
