“ *I was a young first year golf coach for Kennewick High when I met Stan! He was very intimidating and first, but I soon found out he was a really great guy and I was so impressed by his life story! Stan will be missed and I'm lucky to have known him.*

“ *So sad to hear of the passing of Stan. What a great teacher, coach, and all around great person. He was one of the favorite teachers of the Panthers. He was always fun to be around, especially with that little wry smile.*
