“ Pearl,

I met Stan and you at the Y, and Stan was not only a great inspiration to me, but a great guy to talk to. After I quit seeing him at the weight room, I visited you both at Colonial Vista. I didn't say anything when I visited, but I work for Jones & Jones-Betts funeral home, and knew that Stan couldn't go on forever, and wondered if I would some day be involved with his service. If I'm not scheduled to work (if you have a memorial service), I'll attend as a friend. Susan said you are very special people, and she enjoyed your 'visit' when making the arrangements. My condolences to you on your loss of a very special person. I think of Stan every time I'm at the Y. Stan was very fortunate to have all those years with you. I will miss him too.
