“ My wife and I are saddened by the passing of our nephew Steve. We hadn't heard from him for quite awhile. I remember several years ago I got a phone call from Steve out of the blue wishing me a happy Veterans day. We chatted for a while catching up. It was nice. We send Leanne and the family our deepest condolences.

“ *I grew up in a family of motorheads. Steve built the first of many V-8 Pintos we created. He was removing the bad 4-cylinder engine as our Dad was leaving for work one morning. When Dad returned about 9 hours later, Steve was doing burnouts in the driveway with the V-8 installed. Tailpipes came later... God bless Brother! I'm sure a man of your talents will be plenty busy on the other side. Say hi to Micah, Dad and Grandad for me. Love, Larry*

“ *I was honored to have known Steve, It's hard for me to believe that he is no longer with us... I will miss him. I enjoyed hanging out with Steve and considered him a very close friend... I enjoyed our trips to Spokane as well as other adventures. He was a great mechanic and has helped me out of a bind more than once. Rest in Peace my Friend.*
