Steve played music with my brother Bob and me. We shared our lives for many years in Double Image...we played music from Wenatchee and then moved to Seattle together. We played music in many states and had so much fun. Steve was always a big brother to me and the coolest guy ever. I loved spending time with Steve. I felt like the beaver to Wally.

We hadn't talked for many years...although I thought about Steve often. I couldn't find Steve on Facebook..etc I was finally able to get Steve's mother's phone number and finally was able after many, many years to talk to Steve. This was only a few months ago...God is good.

May our God bless you all and...Steve...I loved you and am so happy we were friends.

“ *Steve was always one of those good guys you could count on as a "friend". Shared many , many great times with all of us from Wenatchee High. He had an edge, was so dang handsome and played great music to top it off! We connected after many years of living elsewhere here in our little farm town community of Waterville. His wife Cheryl and his baby girls are absolute delights for any of you that never had the blessing to meet them. Steve was blessed with so much love from all of us growing up with him and with his loving wife, girls and grand children. He was and is well loved and will be well missed. God bless you Steve, RIP my friend, prayers are up for you honey. Carole (McCarver) Shedd*
