“ I went to Susan’s service today and was so reminded of the love of family. I understand that her daughter had just spent a week with her and had just returned home. I hope that her son and daughter can Rest In Peace for the love that their mother had for them. Since I am not comfortable speaking publicly, I can appreciate her sister and father-in-law speaking about the loving, family oriented person that she was gave me peace.  
Remembering the happy, positive person from Alpha Phi many years ago was a good memory. Just reminds me to love the people that we have and appreciate in life. Being thankful for our family and sisters whether we can verbalize or not. Happy for the fulfilling life that Susan had. Rest in peace my Alpha Phi sister ❤️

“ My heart is broken to read of Susan's passing. We were Sorority Sisters and roommates at WSU. We also performed in Cougarettes together. We kept in touch over the past 40 years making plans to get together 😞 my heart breaks for Jennifer and Daniel - they are the lives of her life. I am comforted only by the fact that she has joined her beloved father in Heaven. My thoughts and prayers are with you all. Kim Good Rubenstein 🙏❤️🙏
