

## Susan Carol Reid

September 13, 1947 - April 13, 2011

"Sweet Sue" Reid, loving wife, sister, mom, grandmother and friend, passed away suddenly at home and went to be with the Lord on April 13, 2011. Sue never met anybody she did not consider a friend. There was not a child she was not willing to hold, hug, sing a song to, or share the "Good News" with. She dedicated her life to people in general. She was the epitome of love. Sue graduated from Chief Sealth in 1965, and later graduated from Simpson College with a degree in Bible and Christian Education. Along the way, she met the love of her life, Ray. They experienced many joys in their marriage of 41 years, including two sons, two daughters-in-laws and six grandchildren. She devoted 15 years to the Children's Ministry of Camano Chapel, where she touched many young lives for the sake of Christ. She loved to be wherever her grandchildren were and always had something special to give them. You could find her on the floor playing with her grandkids or crammed in a bed full of giggling little ones. Just prior to her entrance into Heaven, she was able to complete a lifelong dream of visiting the Holy Land, where she was able to walk in the same steps as Jesus did, she is now with Him forever. She was preceded in death by her dad, William Carl Schuman, She is survived by her husband of 41 years, Ray; her sons, Jared (Ginny) and Brett (Allison); mom, Era Schuman, brother, Bill Schuman; beloved grandchildren, Kaitlyn, Blake, Casey, Brayden, Catcher, and Caleb; and numerous other family and friends.

Private Family Graveside Service will be held at Marysville Cemetery in

Marysville, WA. A celebration of her Life will be held at 11:00 a.m., Saturday, April 30, 2011 at Camano Chapel in Camano Island, WA. Memorials may be given to Camano Chapel for support of the Children's Ministry; Camano Chapel, 867 S. West Camano Drive, Camano Island, WA 98282.

“ Ray, I remember when you and Sue moved here to town. It only took a few moments to know that Sue was a very delightfully fun-filled person.

*I have been so richly blessed having the privileged to share this little short chapter of life with her. She IS a very dear person! .....I have truly enjoyed and I am richer because of the friendship she extended to me.*

*She will be missed by many.... Her vacancy will be palpable...*

*I know the spot she holds in your heart will forever ache for her.*

*She loved you deeply...*

*I pray God's tender loving arms and mercy will remind you of HIS love for you, even in this very difficult days.*

*Continuing to lift you,*

“ Ray--What a joy it was to travel to Israel with you, Sue and Brett. When Mark and I received Walt's e-mail, we were both deeply saddened to hear of Sue's passing. Perhaps it's because our journey is so fresh in my mind, that I don't have any trouble at all hearing God's "Well done!" to your lovely wife. Please know you are in our thoughts and prayers. “ Ray, I don't know if you remember me from First Baptist in Spokane. We were such good friends in high school and I don't recall how we ever lost touch. When Vicki started putting her list of FB alum together, I looked for your name but didn't find it. I'm sorry I never got to meet your Sue, she looks like a wonderful person. My Peggy & I just celebrated our 44th anniversary yesterday. Whenever a friend loses their spouse, I wonder what I would do without her - I can't even conceive how difficult it would be. Our thoughts and prayers are with you and your family during this most difficult time.

“ I have been very blessed to have Sue in my life. I will miss her joyful smile and wisdom. Sue loved Ray, her sons, and grandchildren so much as she was always talking about them. She always made me feel like a special person "being a mother to boys." Walking into MOPS will never be the same.

“ What a wonderful treasure Sue was. I want you to know we have been praying for you, Ray, and all the family. I just talked with her a couple of weeks prior to her Homegoing and enjoyed her everpresent smile and joy. I know she will be greatly missed by every family member and many, many others. May God shower you with His comfort at this time.  
With our deep sympathy,

“ Sue was my mentor mom at my MOPS table this year, and she was so giving of her time, love, and biblical wisdom. One thing I remember her saying was not to be in too much of a hurry with our kids, even though it seems like there is always too much to do. I was also fortunate to get to know Sue through a bible study that she held at her home last summer. I'm so glad to have had the opportunity to know her, even only for a short time. She imparted so much of her love for Jesus, children, and families to all of the MOPS moms, and we will miss her so much! I hope to be like her when I "grow up". My deepest sympathy to Ray, her 2 sons and their families. You guys were the lights of her life. She was always talking about her grandkids. She was a very special woman!

“ I joined MOPS when my son was 1 year old. I had no idea what I was doing as a new mom. Sue had such an impact on reassuring me that I was doing a good job as a mom. She had so much advice to offer, she knew how to mentor on a "real" and "simple" basis. She told me at one point in time that I would make many parenting mistakes along the way, but hug your kids and tell them you love them.

“ Ray and family,  
We are already missing our dear Mentor Mom. Sue was a dear part of our group and gave all of us moms so much love and wisdom over her years of involvement. We are so very sorry for your loss of an amazing wife and mom.
